CLARDY CHRONICLINGS.

Farmer Attacked and Bitten by a Rabid Dog.

Clardy, Ky., Dec. 31.—Mr. R. A. Robinson, of this place, was attacked and bitten by a dog, supposed to be afflicted with rabies, Wednesday morning. The dog belonged to Mr. B. C. Fuller, and was not in the habit of running out. He left home last Sunday and returned for only a few minutes Tuesday, when he left again. Nothing more was heard of him until Wednesday, when he attacked Mr. Robinson as above stated. Mr. Robinson is about 65 years old and is out of hearing and he did not know the dog was near until he was bitten. Mr. Robinson left immediately for St. Charles, where his family are visiting, and his stepson, Mr. Menser, arrived Monday morning that he had a mad stone. He had not been at this writing.

A brief visit among relatives, Messrs. M. E. Lantrip and family, will start for their Texas to-day.

W. Reynolds and his son, Reynolds, and family, of Texas, are visiting relatives here. This is their first visit to their old home since they moved to the Lone Star State about 13 years ago. They will remain until the 15th prox.

Esq. J. W. Collins has sold his home and moved to Dawson Springs, where he has accepted a position as salesman with his brother, Mr. J. Collins, for the present.

IMPORTANT DECISION.

Judge Carr Holds That National
Banks Are Entitled to 70
Per Cent Valuation.

Louisville, Ky., Judge Carr in the Federal Court yesterday decided in the case of Samuel H. Stone, Auditor, against the First National Bank of Louisville, that the bank was entitled to relief and should be assessed only 70 per cent of its stock.

The State board had made the assessment at full cash value. In view of the fact that it was the practice of the State board to give a 30 per cent reduction to others, the court held the board should have given the same to the bank.

The decision affects the city as well as State. The court also held that the bank was not exempt because its capital consisted of Government bonds to the amount of \$500,000.

The case will be appealed.

CHURCH HILL JOTTINGS.

Church Hill, Ky., January 2.—Well out goes the old and in comes the new-year. We are expecting to turn over a new leaf, after our "Christmas Flirting." Entertainments have been given every evening of the Xmas. We have had the prettiest girls, roads and weather that I ever witnessed.

Mr. James C. West, of Cumberland City, Tenn., spent the holidays with friends and relatives of this vicinity.

The carrom party given by Dr. and Mrs. W. Williams Friday evening, was a delightful affair. Elegant refreshments were served and all present thoroughly enjoyed themselves and returned home at a late hour.

Dr. G. N. Murphy, of Bowling Green, is visiting Mr. M. V. Owen, of this place.

The "Church Hill Grangers" held their business meeting Friday last. A large crowd was present considering the bad weather, and at noon a bountiful dinner was spread, which supplied the hunger of ever one present. The South Union church was opened for the benefit of the young people, who did not belong to the institution.

Mr. Robert S. White and wife, of Trenton, spent the latter part of the week with Mr. John C. White.

The Christmas tree, which was given in the Hall Christmas Eve was heavily loaded with presents. Several recitations were recited and then the presents were read out by Mr. J. B. Walker.

Misses Marguerite L. Ford and Margherita Boyd, spent several of the holidays with Miss Rosa Lee Adams.

Misses Lila Dennis and Virginia Tibbs of your city have been visiting Miss Lona Williams.

The Church Hill Grange was burglarized by some unknown robbers about a week or two ago. They entered by opening a window. On or about the same time the Gary school house was also visited. No clues were left.

Everything has been quiet in this vicinity, but have witnessed lots of fun. No arrests yet recorded.

NERO.

REBEL PHILIPINOS.

Uncle Sam May Have to Take
Them in Hand.

Washington, Jan. 2.—Advices come from Gen. Otis regarding the situation at Iloilo. The insurgents there have conferred with Gen. Miller, in charge of the American troops sent there to take the place, and he has told them that they must evacuate the city. This they declined to do, but asked time to consult Aguinaldo, the rebel chief. Gen. Miller told them he would notify them twenty-four hours before he begins bombarding Iloilo, should he decide to do this. A fight here, it is believed, will involve the United States in a general war with the Philippine insurgents.

What Shall We Do.

A serious and dangerous disease prevails in this country, dangerous because so deceptive. It comes on so slowly yet surely that it is often firmly seated before we are aware of it.

The name of this disease, which may be divided into three distinct stages, is First Kidney trouble, indicated by pain in the back, rheumatism, lameness, frequent desire to urinate, often with a burning sensation, the flow of urine being copious or scant with strong odor.

If allowed to advance, this reaches the second stage, or Bladder trouble, with heavy pain in the abdomen, low down between the navel and the water passage, increasing desire to urinate, with scalding sensation in passing, small quantities being passed with difficulty, sometimes necessary to draw it with instruments. If uric acid or gravel has formed, it will prove dangerous if neglected.

The third stage is Bright's Disease.

There is comfort in knowing that Dr. Kilmer, the great kidney and bladder specialist, has discovered a remedy famous for its marvelous cures of the most distressing cases and known as Dr. Kilmer's Swamp-root.

It is sold by all druggists. As a proof of the wonderful virtues of this great discovery, Swamp-root, a sample bottle and book of valuable information will be sent absolutely free by mail on application to Dr. Kilmer & Co., Binghamton, N. Y. When writing kindly mention that you read this liberal offer in the HOPKINSVILLE KENTUCKIAN.
